Proposed Project Description: _____

- Please draw a “to – scale” plan of the proposed change and attach it to this application.
- The initial approval of the condominium project required a review and approval by the City, Planning Commission, and City Council of the site plan locations of all structures both individually owned and those in common ownership as common areas. Proposed alterations or modifications that affect the building footprint size or any setbacks may be approved by the City of Zeeland following a review and approval by the Condominium Board.

The Condominium Board has reviewed this matter and approves the project described above and as shown on the attached drawing.
